

## Guess who!

And know the quiz show. This week our sponsor has been very, very generous. We have a really useful prize: a white and squared rubber, brand Milan, a pencil Standley number 2 and a notebook. With them you'll make beautiful pictures, take notes or even write poems. Who knows! Never despise<sup>[1]</sup> the power of small things. We will draw lots<sup>[2]</sup> this prize between all the correct answers.

Once again our thanks to "The Speedy Turtle" for sponsorig and supporting this programme. And remember everything you need for a trip: maps, guides, technical clothes, information...you will find in "The Speedy Turtle".

So, let's listen the piece of music of the week. It has been our desire to start with a very easy one in order to make the game both funny and easy to you. So, Ivon, put the piece on.
