

Rock & Roll.

The artist we have chosen to finish the Take off of this week is the famous Wilson Picket. Perhaps the name doesn't tell you anything but we are sure that from the firsts bars^[1] you will recognize the song and you will sing it, at least the "na-na-na-na...". The song is called: "Land of 1.000 dances".

Thank you for your time. And remember: Be happy, be lovely and enjoy your life. This is Daniel Lovefield and that's all folks^[2]!

^[1] Bar: n. Compás (Musical)

^[2] That's all folks: Esto es todo amigos.
